SOTYKTU™
(deucravacitinib) 6 mg
tablets

Access and initiation support for you and your patients

Key features to getting started with SOTYKTU through CoverMyMeds:

- Through a single portal, you can enroll patients in SOTYKTU 360 SUPPORT, electronically prescribe, and complete prior authorization
- Request formulary exceptions and appeals support if needed
- CoverMyMeds can auto-populate non-clinical patient and prescriber demographic information

The accurate completion of reimbursement or coverage-related documentation is the responsibility of the healthcare provider and patient. Bristol Myers Squibb and its agents make no guarantee regarding reimbursement for any service or item.
